Husumer Steel 53.50 M 1982

Asking Price 2.250.000 € vat not paid

The long-range Navetta motoryacht 53-meter is a twin-screw displacement motor yacht built at the German Husumer Schiffswerft shipyard. Originally launched at a length of 37 meters, she has since undergone two extensions, first in 1984 and then in 2001, reaching her current impressive size.

Up to 12 guests across seven staterooms, the motoryacht offers luxury and comfort. The Master ensuite stateroom, located on the upper deck has a king-size bed and a private living room area and and course well-appointed en-suite bathroom. On the main deck,

there are two VIP double cabins, while the lower deck features two double cabins and two twin cabins. all equipped with en-suite facilities.

The interior is a timeless and a classic style. The motoryacht has a spacious saloon on the main deck with an English-style bar and a dining room equipped with two large tables accommodating up to 18 guests.

Outside entertainment and relaxation awaits for up to 12 guests. The upper bridge deck features a covered gym area and an open seating area. And further aft offers storage for the main tender and a hydraulic crane. On the main aft deck a private and enclosed seating area with a large circular teak table provides a perfect setting for intimate gatherings, accommodating up to 10 guests.

UNIQUE FEATURES:

- German construction synonymous of quality craftsmanship and durability***
- RINA Commercial Class***
- Spacious saloon, dining room, and traditional bar offer elegant entertainment spaces***
- Fantastic exterior areas provide ample room for relaxation and socializing***
