Benetti Chrystal 140 2014 asking Price 12.500.000 € Vat not paid.

Featuring a displacement GRP hull and superstructure, this sumptuous BENETTI CRYSTAL 140 is a tri-deck yacht offering her guests plenty of space for absolute relaxation and entertainment. She was built to ABS (American Bureau of Shipping) classification society rules and is MCA Compliant.

The yacht is equipped with an ultra-modern stabilization system which reduces roll motion effect and results in a smoother and more enjoyable cruising experience underway. This luxury yacht is also fitted with zero-speed stabilisers that work at anchor increasing on-board comfort when the yacht is stationary, particularly in rough waters. The yacht carries large exterior living spaces and expansive windows to allow natural light to flow into the interior accommodation.

The yacht's exterior concept and design are by Stefano Righini, while the contemporary-styled interiors are by Benetti's technical department. The key features aboard this new 42-metre model include: a backlit marble waterfall in the main foyer, a fireplace in the upper saloon, and an intelligent garage with side door amidships that frees up space for a large beach area astern.

Powered by reliable and fuel-efficient twin 1450 Hp CAT diesel engines, she reaches a top speed of 15 knots, with a cruising speed of 11 knots, providing an amazingly long range of 4000 Nautical Miles.

This BENETTI CRYSTAL 140 comfortably accommodates up to 10 guests in 5 en-suite staterooms: 3 doubles, 1 twin and 1 convertible which can be set up either as a double or as a twin. Furthermore, she carries up to 9 crew members.

KEY FEATURES

- 5 Cabins for 10 Guests with Master Stateroom on Main Deck
- 9 Crew members waiting for their Every Need
