

SALT

THE EXPERT'S VIEW

"The SL106 is an iconic bestseller from the Sanlorenzo shipyard and SALT is undoubtedly the most elegant and refined example ever produced. This yacht is all about space, natural light, and visual connection with the exterior. She boasts a very high custom specification including stabilizers, drop down balcony in the main salon, 5 staterooms including a main deck Master Stateroom and the largest engine option allowing a top speed of 30 knots or efficient cruising speeds. SALT has been built and maintained in compliance with the French commercial flag (RIF) and has developed a very enviable reputation on the charter market. All the pre-season works have been carried out, she is in an absolute mint and turnkey condition for the season 2023".
