REFIT & MAINTENANCE

2023:

- Retrofit a Lloyds Register onboard AMS system RH Marine by TESS Electric*
- Corrosion repairs and super structure sections painted.*
- Renewed Sika around the decks*
- New emergency batteries installed.*
- New Jetskis*
- Generator fuel pump timing checks and adjusted.*
- Dief new control cards*
- New moduals installed on the ASEA shore power convertors.*
- New Control boards on the ASEA shore power convertors*
- Fabricated and installed new Stbd Gen wet exhaust mixer*

- *Catapillar Gearbox oil cooler replaced*
- *UV Water Sterilizer installed*
- *Installed new Air handler unit*
- *Anchor winches new brakes installed.*
- *Grey water tank sandblasted and recoated.*
- *Black water tank touch-up and recoated*
- *Installed new Jets pumps for Sewage system•*
- *8000 Hr Quantum stabilizer service*
- *• Lazarette synthetic teak installed*
- *New anodes replaced.*
- *New antifouling*
- *New access points installed to improve internet speed throughout*

2022 20-YEAR SURVEY:

HULL

- *All Anodes replaced*
- *Touch up paint on the waterline*
- *New antifouling*
- *All Fuel tanks cleaned an inspected*
- *All Fresh water tanks cleaned an inspected*
- *Black and Grey water tanks cleaned an inspected*
- *Renewal of fore peak, paint and suction line*

SHAFT LINE

- *New Propspeed on propeller*

- *New inner shaft seals*

ENGINES

- *Renewal of both main engine exhaust spray ring • Replaced 80% of hull valves*
- *Replaced bilge Manifold*
- *Repaired main sea strainers*
- *Acid cleaning of main sea chest piping way*
- *Replacement of several secondary isolation valves • Refit of both A/C sea water pumps*
 - *Replaced keypad HP sensors on A/C compressors*
 - *Repaired Alfa Laval*
- *New moduals installed on the ASEA shore power convertors.*
- *New Control boards on the ASEA shore power convertors*
- *Fabricated and installed new Stbd Gen wet exhaust mixer*
- *Caerpillar Gearbox oil cooler replaced*
- *UV Water Sterilizer installed*
- *Installed new Air handler unit*
- *Anchor winches new brakes installed.*
- *Grey water tank sandblasted and recoated.*
- *Main engines Intercoolers pressure tested*
- *Main Engines Exhaust Dampers replaced*
- *Main Engines Caterpillar fully inspected, with borescope also on Gearboxes.*

- *Both Main Generators 10,000hrs maintenance, turbo replaced on port side*

and intercooler replaced on starboard side

- *Sea water light controller replaced*
- *Black water pump refitted*
- *Fresh water damping vessel replaced*
- *Both water makers factory refitted*
- *PMR replaced*
- *Leaks fixed on Jacuzzi discharge piping way*
- *Both windlasses refitted, with new electromechanical brakes and Clutches*
- *Repaired hatches sensors on fore deck*

GENERAL UPGRADES

- *All capping rails sanded/sealed and applied with Teak Oil*
- *Replaced Gagennau 400 Series Oven*
- *Replaced ceramic hob*
- *5g router installed*
- *6 New Sonos Ports installed – Airplay 2 throughout now.*
- *2 Seabobs Purchased*
- *4 New Life rafts purchased*

TENDER UPGRADES

- *Hydraulic steering ram replaced*
- *Bow thruster repaired*

- *Electrical issued on battery charger fixed*
- *Port side alternator replaced*
- *Coolant settling tanks replaced on both engine*
- *Full annual service*
- *Replaced waste disposal unit in Galley*
- *PABX sorted out PABX problems, replaced various phones*
- *Removed, overhauled and replaced Black & Grey water pumps*

2020-2021 MONACO MARINE:

- Crane replaced on Sundeck, max SFW 800 kg
 - Installed Reverse Osmosis drinking water system on Sundeck
 - Repaired/replaced LED lighting around Sundeck bar area
 - Replaced LED light ropes on the stairs from Main deck to Bridge deck
 - Replaced Life raft embarkation lights
 - Replaced embarkation lights main deck bulwark door
 - General periodic maintenance windlasses
 - Installed new fridge Bridge deck aft
 - Reinstalled icemaker Bridge deck aft
 - Wing stations reassembled and sealed
 - Design BBQ installed on Sundeck
 - Replaced keypad on main control panel Air-Conditioning system, replaced cover
- on fresh air make up unit, checked all A/C thermostats and bypass valves
- Repaired Alfa Laval

- Main Engines Replaced lagging on ME exhaust spray rings
- Main Engines Caterpillar communications network
- Main Engines Replaced faulty local engine speed control module
- Sea cocks Checked all sea cocks while in yard
- Sea cocks Blanked off through hull fittings
- Sewage treatment plant headhunter unit disassembled, maintained and reassembled
- Removed paint from stabilizer ram rods and hoses
- Executed periodic maintenance, including partly rewiring and replumbing on water

makers

- Repaired and upgraded Main Saloon & Sky Lounge sliding doors • Installed Reverse Osmosis drinking water system in Crew Mess • Serviced Reverse Osmosis drinking water system in Pantry
- Replaced Icemaker in Pantry
- Overhauled Chiller pumps
- • Serviced 20 x Air handlers

2019-2020 MAJOR REFIT MONACO MARINE: PAINT

- Application of Complete new Hull Paint to Haze Grey Awlgrip

CREW AREA

- Replaced 3 Cabins, Crew Mess and Laundry

MAIN ENGINES

- Partly overhauled including gearboxes
- Replaced Spray rings portside and starboard side

- Battery charger serviced

GENERATORS

- Fully serviced
- Replaced generator heaters on both generators
- Replaced alternator on portside generator
- Battery charger serviced

EMERGENCY GENERATOR

- New back up crank starter
- New batteries

SHORE POWER CONVERTOR

- Overhauled and replaced circuit board

AIR-CONDITIONING SYSTEM

- A/C plant fully serviced
- Replaced 6 x compressors and piping
- • Overhauled Chiller pumps • Serviced 20 x Air handlers

• **BLACK & GREY WATER TANKS**

- Both black water and grey water tanks opened checked, and rewelded • Replaced tank sensors
- Vacuum pumps overhauled
- Replaced vacuum boxes incl. all components in grey water tank

• **LAZARETTE DOOR & PASSERELLE**

- Lazarette Door removed all hydraulic hoses replaced for new
- Full service passerelle and lazarette door, hydraulic pumps and tank • Passerelle removed and overhauled

- • New passerelle control unit
- **WATERMAKER**
- • Lower water maker overhauled, all new parts and piping installed
- **FRESHWATER SYSTEM**
- New hydrovar head
- All pumps overhauled
- New expansion tanks
- New pressure sensors
- New freshwater dosing unit installed
- MAJOR REWIRE
- Starboard wing station • Bridge deck aft
- Crew area
- Crew cabins

FUEL TANKS New sensors on all tanks plus calibration

BOW THRUSTER

- VFD replaced
- Control board calibrated
- Prop removed checked & cleaned
-

HOT WATER SYSTEM

- Replacement of Circulation pumps

- New sensors installed
- Installation of new timer on boiler
- Piping partly changed where needed
- Installation of new expansion tank

BATTERIES

- New batteries for generators
- New batteries for main engines
- New batteries for bridge radio room and equipment GMDSS
- New batteries for emergency / backup systems

AIR LINES

- Compressed air line piping changed in areas plus connections

BILGE CHEST

- Rebuilt, new packing, gaskets, nuts and bolts

SUPPLY & EXTRACTOR FANS

- Replaced black water and grey water tanks extractor fan
- Replaced main supply fan to yacht

LIGHTS

- Replaced in all main areas around the yacht plus main decks

FLOORING

- Replaced all floor plates in engine room
- Replaced floor in Galley
- Replaced floor in Crewmess
- Replaced Carpets throughout the whole yacht

SLIDING DOORS

- Rebuilt and sanded
- Replaced pulley belts and rail systems

GALLEY

- Hob induction heaters overhauled
- New hob top
- Walk-in Fridge and Freezer compressors overhauled

BOW

- Full service of both Windlasses
- New hydraulic unit installed for crane
- Crane moved from Sundeck to Bow
- New anchor guards on side of yacht for protection and less swinging of anchor

VARIOUS

- New transducer installed for the speed log
- Fire and smoke detectors calibrated and tested
- New portable fire pump
- New UPS system installed on bridge
- Replacement of AV/IT units in Crew Mess
- New Mini Mac installed in Bridge for Media Server • New 3 x 4G Aerial installed above Bridge

2017:

- Major Million Dollar Interior Refit Florida
- Complete removal of old interior
- Installation of all new marbles throughout the yacht
- New Black Leather Granite Countertops throughout the yacht
- Completely new bathrooms throughout the yacht; new taps, sinks, toilets, bidets, showers, mirrors, Owner's bath and cabinets in every guest bathroom
- Various interior decoration items replaced concerning lighting, door handles, drawer pulls, latches
- All interior furniture replaced
- All interior soft furnishings replaced
- All saloon and cabin lightning replaced
- All light switches & sockets replaced
- All exterior soft goods and cushions replaced

2013-2014 Upgrades:

- Carpet replacement
- Skylounge interior upgrade
- Jupiter upholstery upgrade
- Engine room fresh water / AC / Bilge and Service tank pump upgrades

2012-2013 Upgrades:

- 10 year / 5000 hr survey on main engines 240k Euro
- Jupiter tender upgraded with teak decks
- A/C Pipework service
- A/C Upgrade in main salon
- Fresh water purification upgrade

2011-2012:

- Major Refit PURE/STP Palma
- Application of Complete new superstructure paint system
- Sundeck redesign and reconstruction
- New Aft Spa and sun lounges with closed in bulwarks, curved glass screens and

timber rails

1COMMENTS

DE-DE is a 44m/144' custom built yacht by French shipyard CMN that is now offered keenly for sale.

She is a full displacement steel / aluminium motor yacht with a trans-Atlantic range that offers great stability thanks to her Quantum Zero-Speed stabilisers.

Her practical 5-cabin layout accommodates 10 guests including a full-beam on deck Owner's stateroom with separate office / lounge, plus three doubles and one twin cabin on the lower deck. While currently under private registration, this practical layout lends well to the charter market.

In 2020, a multimillion Euro refit included a hull paintjob, new carpeting throughout the yacht, upgraded crew areas and many other items while the majority of her technical systems were either overhauled and/or serviced.

DE-DE was built in compliance with MCA and is maintained in Lloyds Class on the Cayman Islands flag. She has an excellent European pedigree status which combined with her large volume of 457 GT, practical five-cabin layout and vast outside deck areas make her a fantastic purchase opportunity.

Powered by reliable CAT engines and equipped with state-of-the-art Quantum Zero Speed stabilisers, DE-DE is a yacht that is looking for a new Owner to take her around the world.

Inspections of this beautiful quality yacht are very much encouraged.
