Ferretti 731 2005

Asking price : 850.000 € Vat paid

Make: Ferretti Yachts Model: 731
Length: 22.7 m
Price: EUR 850,000
Year: 2005
Condition: Used
Hull Material: Fibreglass (GRP)
Draft: 1.8 m
Number of Engines: 2
Fuel Type: Diesel
Beam: 5.8 m
Ferretti Yachts 731
Beam: 5.8 m

Max Draft: 1.8 m
Engine Make: MAN
Engine Model: V12 CR
Primary Engines: Inboard
Drive Type: V Drive
Location: Port Hours: 1500 Power: 1550 hp
Engine Make: MAN
Engine Model: V12 CR
Hours: 1500 Power: 1550 hp

Description The FERRETTI 731 flybridge yacht was, in its range, the expression of the Ferretti style: a highly innovative project born from a revolutionary concept of both outside and inside spaces. Starting from the symmetric perspective of the spaces which dominates both the interior and the flying bridge layout. The owner's cabin on board the FERRETTI 731 presents the most important innovations of Ferretti in terms of light and space solution: it has a large panoramic window on both sides allowing an open view of the sea also from the spacious semi-circular shower, separated from the bathroom by a sliding door. The huge and comfortable living room and dining area on the FERRETTI 731 were designed following the symmetric layout of the boat, with a central position of the TV, double access at the bow area, and centralized pilot house, to make life on board even better and to enhance the brightness of the interiors. The external layout permits a more generous living area on the rear deck with an opening spoiler bench which offers its guests a comfortable experience to live the sea in absolute tranquillity. Powered by twin MAN V12 1550 Hp Diesel engines, this fine example of the FERRETTI 731 motor-yacht is in very good condition and viewings are highly recommended. Please click on the « Full Specs » tab for complete details of this Flybridge Yacht.

MAIN CHARACTERISTICS

Builder: Ferretti Yachts (Italy)
Model: Ferretti 731
Type: Motor-Yacht / Flybridge
Yacht Hull Shape: Planing
Hull Material: GRP Year
Built: 2005
LOA: 22.70 m
Beam: 5.80 m
Draught: 1.80 m
Displacement: 52,200 Kg
Flag of Registry:
Lying:

PROPULSION

Fuel / Type: Twin Diesel
Engine Brand / Model: 2 x MTU
Power: 1550 Hp each
Engine Type: Inboard
Drive Type: V-Drives

Engine Hours: 2500
Maximum Speed: 32 Knots

Cruising Speed: 24 Knots
Consumption: 350 l/h @ 20 kts
Approximate Range: 260 nm
TANKAGE Fuel Capacity: 5500 l
Fresh Water Capacity: 1000 l
Grey Water Tank: 208 l
Holding Tank: 330 l

ACCOMMODATION 4 x Cabins for 8/9 guests

Cabin configuration:
Master cabin amidships (double)
VIP cabin fore
2 x Guest cabins port & starboard
4 x En-suite bathrooms
2 x Independent crew cabins

INTERIOR EQUIPMENT Reverse cycle air conditioning throughout (72,000 BTU/h)

Bilge pump with 1 electric self-priming pump with 6 switches (bow-clear waters-waste waters-engines-spoiler-crew cabin)
Bilge pump system with 6 electro-automatic diving pumps (of which 5 are automatic)

Fully equipped galley with:
Fridge,
Deep Freezer,
Oven,
Hob & Hood,
Microwave oven,
Dishwasher
Washing machine and dryer

Bedroom,
bathroom linens,
Fresh water maker
ELECTRICAL Electric System: 220V – 24V with inverter
Generator KOHLER 20 kW (dif to std 17 kW) - Approx 2450 Hours
2° Generator KOHLER 20 kW (dif to std 5 kW) 24V
lighting throughout 100Ah 12V auxiliary generator battery 185Ah 12V
Generator battery 370Ah 24V engine starting batteries (4) 740Ah
24V bank of batteries for service (8) 75A 24V
automatic battery charger Electric outlets 230V throughout Battery disconnecting electronic and
mechanical switches
Mechanical and electric battery parallel switch
Inverter 24Vdc/230Vac 3000W with battery charger

Combi 100A Shore power plug 63A 230V (15 m)
TV/telephone shore supply Electric
WC system with fresh water
Electrohydraulic powered steering

WATER & WASTE

Fresh water system 24V autoclave pump with electronic control
Grey water sump pump with automatic electric pump
Hot water system with water heaters 80 l - 230V
Salt water system with salt water pump and 2 intakes for hoses on deck
Sea water system 24V autoclave pump at bow, transom and galley Silenced underwater exhausts
Waste water system with automatic electric and manual pump
