Riva 88 Folgore – 2021 – Motor Yacht for Sale – Stabilized – Only One Available in the Med for Delivery – Coded for Charter – Lying South of France (GECUA)

Asking Price: EUR 6.200,000 Ex-VAT

This 26.92m RIVA 88 FOLGORE is the single unit available for sale and immediate delivery in the Mediterranean. Built in 2021 on a fibreglass deep-V/planing hull as part of the Italian yard's successful "Sportfly" series, this brilliant motor yacht is ready to seduce her new Owners by welcoming them onboard the Riva legendary style.

The RIVA 88 FOLGORE is a performance sport yacht featuring potent and revolutionary style with an almost sci-fi beauty, made to dazzle. The magnetic allure of her design is all in the harmony between past and present, in the concept that unites innovative materials like carbon with traditional stylish features from mahogany inlay to decorative steel.

Like all the masterpieces in Riva's recent history, the 88' Folgore is a product of the partnership between Officina Italiana Design (the studio founded by Mauro Micheli with Sergio Beretta), the Product Strategy Committee headed by Piero Ferrari, and the Ferretti Group Engineering Department.

The yacht boasts comfortable accommodation in contemporary Italian style, 8 guests in 4 en-suite cabins, comprising a full-beam Master cabin amidships, a double VIP cabin forward, a double cabin to port and a twin cabin to starboard. Through a separate access for privacy, 4 crewmembers are also accommodated in 2 cabins.

The RIVA 88 FOLGORE can reach exhilarating speeds of up to 38 knots, while cruising at 30 knots, thanks to powerful twin 2600 Hp MTU Diesel propulsion on V-drives.

Full options including the underway and zero speed gyroscopic stabilizer, this yacht has just completed her commercial survey she is ready for the 2023 summer chartering at €80,000 per week. She carries low hours with light use by her current Owner over the 2022 season.

Early viewings and offers are highly recommended.

KEY FEATURES

- Only Riva Folgore 88 available for immediate delivery in the Med
- 4 En-suite staterooms for 8 guests
- 2 Crew cabins for 4 Crew
- Gyro stabilizer
- Full options
- Low hours and immaculate condition
- Coded for charter
- Williams jet tender + Sea Doo jet-ski

MAIN CHARACTERISTICS

Builder: Riva Yachts (Ferretti Group – Italy)

Naval Architecture: Riva S.p.A.

Exterior Designer: Officina Italiana Design (Mauro Micheli)

Interior Designer: Officina Italiana Design (Mauro Micheli)

Type: Motor Yacht / Sport Yacht / Sportfly / Performance Yacht

Hull Type: Planing / Deep V

Hull Material: GRP

Superstructure Material: GRP

Decks: Teak

Year: 2021

Length: 26.92 m (88' 4")

Waterline Length: 23.98 m (78' 8")

Beam: 6.30 m (20' 8")

Draft: 1.97 m (6' 5")

Displacement (unladen): 70,000 kg (154,324 lb)

Displacement (laden): 82,000 kg (180,779 lb)

Gross Tonnage: 128 GT

Category: CE Class A

Classification: RINA / Malta Commercial

Flag of Registry: Malta

Location: French Riviera

PROPULSION

Type / Fuel: Twin Diesel

Main Engines: 2 x 2600 Hp MTU 16V 2000 M96L

Engine Hours: 500 h (May 2023)

Maximum Speed: 38 knots

Cruising Speed: 30 knots

Fuel Consumption: Approx. 740 l/h @ Cruise Speed

Range: Approx. 350 NM

Transmissions: V-Drives

Full MTU service for both engines

TANKAGE

Fuel Capacity: 8,000 l (2,113.4 US Gallons)

Fresh Water Capacity: 1,200 l (317 US Gallons)

Black Water Tank: 330 l (87.2 US Gallons)

Grey Water Tank: 330 l (87.2 US Gallons)

ACCOMMODATION

8 Guests in 4 en-suite cabins

Guest Cabin Configuration:

- Full-beam Master cabin midships, with double island King-size bed towards starboard side, armchair, desk/vanity, walk-in dressing room, en-suite bathroom with shower, double sinks, toilet and bidet
- VIP cabin forward with double island Queen-size bed, closets, en-suite bathroom with shower, toilet and bidet
- Port side cabin with double island Queen-size bed, closet, en-suite bathroom with shower and toilet
- Starboard side cabin with twin single beds, closet, en-suite bathroom with shower and toilet (also used as day head)

Main deck with main saloon, formal dining and interior pilothouse

Galley, crew mess and laundry on lower deck

Crew Accommodation:

- 4 Crew in 2 bunk-bedded cabins, each with en-suite facilities
- Separate access to crew quarters for privacy

Max People Onboard: 12

OPTIONS INSTALLED

Generators: 2 x 27 kW CUMMINS ONAN MDKU Marine generators

Generator Hours: 1500 h (May 2023)

Custom colour for Hull+Deck+Aft

Superstructure custom colour

SEAKEEPER SK26 gyroscopic stabilizer

Custom internal wood (glossy Rosewood)

AQUAMATIC water maker

Automatic battery charger for generators
Empty dome for KVH TV6
Cockpit area manual bimini with carbon poles
Bimini top at bow with carbon poles
Bimini top on sportfly with carbon poles

Cockpit sofa in gloss 100 mahogany wood details
Aft area with stainless-steel for stern portside & starboard rub rail
Lower deck cabins with additional stainless-steel finish & details for wardrobe doors
Side gates
Custom external upholstery

HULL, DECK AND DECKHOUSE (Standard Equipment)

Access stair to the sportfly in stainless-steel with stainless-steel handrail and steps in teak
Access to the swimming platform via fiberglass steps, footboard laid in teak and courtesy lights
Bow sofa cover
Bow sofa with upholstered cushions and storage
Bow sun pad cover. Sun pad with upholstered cushions with plexiglass glass holder
Concealed stainless-steel electro-hydraulic gangway with automatic stanchions (one side) and teak flooring

Concealed stainless-steel electro-hydraulic swimming ladder built into the swimming platform

Electric anchor winches 2700W 24V with controls at the helm station, at bow and on the sundeck (2)

Electric winches (2) for stern warping 1700W 24V with foot controls

Electro-hydraulic stern fiberglass hatch for garage closing and for launching (tender and jet ski)

Fiberglass swimming platform with teak floor

Fiberglass deck with gelcoat finish

Fiberglass deckhouse with gelcoat colour finish

Fiberglass hull with gelcoat colour finish

Fire-fighting hose with sprinkler at bow

Freshwater intake in chromed brass

Freshwater shore connection at bow and at stern

Fuel intakes in chromed brass, one for each side (2)

Hull with antifouling coating

Hydraulic bow thruster 400Kgf

Perimetral stainless-steel handrail

Shower with hot and cold water mixer tap at stern

Side GRP sponsons with rub-rail and stainless-steel edges

Stainless-steel bow protection

Stainless-steel cleats (4) at stern, (4) at midship and (2) at bow

Stainless-steel deck accessories

Stainless-steel fairleads at bow and stern

Stainless-steel handrails (2) on stairs to the cockpit from swimming platform

Stainless-steel hawses with bow protection and fairlead

Stainless-steel rub rail

Stainless-steel stern mooring area cover (2)

Stern cockpit and side walkways floor covered with teak

Stern garage equipped for one Williams Jet tender

Storages (3) in the bow dinette

Two anchors in polished stainless-steel: Primary anchor (80kg) with 100m of galvanized steel chain (12mm); secondary anchor (50kg) with 100m of galvanized steel chain (12mm)

Watertight loudspeakers at bow dinette connected to the stereo in the lounge (2)

HATCHES AND WINDOWS (Standard Equipment)

Access hatch from the cockpit to the crew area

Access hatches to anchor chain locker (2)

Emergency exit hatch from the bow cabin to the deck

Engine room access hatchway from the cockpit

Fold-back side door

Interior doors in wood with stainless-steel handles and thresholds

Sliding main entrance door in stainless-steel and tempered monolithic glass, with side electrically tilting window

Stainless-steel portholes

Windows in monolithic or laminated glass

Wipers with built-in washers and timer (2)

COCKPIT (Standard Equipment)

Cockpit CCTV camera

Cockpit sofa with upholstered cushions

Extinguisher for garage with fire port from the cockpit

Fiberglass floor laid in teak

Fiberglass unit equipped with ice maker, locker, trash bin

Icemaker

LED lighting

Natural teak table

Stern gates in stainless-steel and glass with manual blocking system (2)

Stern sofa cover

Table cover

Watertight loudspeakers connected to the stereo in the saloon (2)

SUNDECK (Standard Equipment)

Acoustic alarm (horn)

Adjustable searchlight

Class D VHF radio telephone with DSC, with independent antenna

Combined alarm

Electro-hydraulic steering system

Fiberglass floor laid in teak

Fire extinguisher

GPS antenna

Helm station cover

LED lighting

Navigation and anchor lights

Port chaise longue and helm seat cover

Port chaise longue and helm seat with upholstered cushions, foldable helm seat backrest and underneath storage

Radar antenna

Secondary helm station in painted fiberglass and stainless-steel lateral profiles, with upholstered steering wheel, instrumentation and alarm lights

Sofa cover

Sofa with upholstered cushions

Stainless-steel guardrail

Stainless-steel signal mast

Starboard chaise longue cover

Starboard chaise longue with upholstered cushions and underneath storage

Sun pad area with upholstered cushions

Sun pad cover

Terrestrial TV antenna

VHF antennas (2)

Watertight loudspeakers connected to the stereo in the lounge (2)

HELM STATION (Standard Equipment)

Acoustic alarm for water in bilge

Adjustable searchlight control

Automatic pilot with rudder angle indicator interfaced with plotter/GPS

Black box integrated system (radar, plotter, GPS, echo-sounder), with 2 LCD/LED monitor in helm station

Carpeted floor with padding underneath

Class D VHF radio telephone with DSC and separate antenna

Echo-sounder function

Electric bow thruster control panel with joystick

Electric outlet

Electro-hydraulic steering system

Engine/inverter electronic controls with "easy dock" system

Fire extinguisher

Interceptors indicator

LED lighting

Monitoring system with LCD touch screen connected to CCTV cameras

Multifunction display for echo-sounder, speed and log

Pilot seats (2) upholstered in leather

Rudder angle indicator

Synoptic panel

Upholstered and varnished ceilings

Varnished helm station with stainless steel profiles, leather-covered steering wheel, complete engine instrumentation, electronic engine fuel/reverse gear levers, compass, alarm lights

Windscreen washer-wiper control panel

Wooden furniture with matt finish

LOUNGE (Standard Equipment)

Marble coffee table

Cushions 50 x 50cm (3)

Electric outlets

Fabric and glossy lacquered ceiling

Fabric plissé curtain for access door

Fire extinguisher

Free standing fabric sofas

Hi-Fi system

LED lighting

Low cabinet

DINING AREA (Standard Equipment)

Bow low cabinet
Carpeted floor with padding underneath
Chairs (8) upgraded RIVA chairs
Decorative curtains
Electric outlets
Glossy lacquered ceilings and lacquered slats shading
Plexiglass housings for tableware
Table for 8 people
Wooden matt finished bulkheads and furniture

GALLEY (Standard Equipment)

“Side by side” refrigerator and freezer
Combined electric and microwave oven
Corian® floor
Corian® worktop
Dishwasher
Electric outlets
Extractor hood with direct outboard discharge
Fire extinguisher
Glass ceramic cooking top with pan holder
Glossy lacquered ceiling
LED lighting
LED lighting under cupboards
Moquette steps to lounge
Porthole housing with Venetian blinds
Storage below steps and access to technical closets
Sink with mixer tap
Wooden furniture
Wooden matt finished bulkheads
Wooden sliding door to galley

LOWER DECK LOBBY (Standard Equipment)

Carpeted floor with padding underneath

LED lighting

Steps from the main deck

Upholstered and glossy lacquered ceiling

Wooden matt finished bulkheads

MASTER CABIN (Standard Equipment)

Armchair

Bed frame upholstered in sole leather

Carpeted floor with padding underneath

Cushions 40 x 40cm (2)

Double bed with mattress, pillows, bedspread and pillow covers

Drawers under the bed (2)

Electric outlets

Fire extinguisher

Headboard upholstered in sole leather

Hi-Fi system

LED lighting

Low cabinets with doors

Mirror in the walk-in wardrobe

Porthole housings with decorative curtains

Reading lights (2)

Safe

Set of sheets and pillow cases

Sole leather nightstands (2)

Upholstered and glossy lacquered ceiling

Vanity unit with folding mirror and chair

Walk-in wardrobe with spotlights, small cabinet and luggage storage (2)

Wooden matt finished bulkheads and furniture

MASTER BATHROOM (Standard Equipment)

Bathroom accessories (soap holder, (2) bathrobe hangers, toilet paper holder, toilet brush holder and glass for toothbrushes)

Black water tank level indicator integrated in the toilet control panel

Corian® floor

Corian® sink with mixer tap

Corian® wash basin

Electric extractor

Electric outlets

Electric ceramic toilet and bidet

Glossy lacquered ceiling

LED lighting

Mirror

Porthole housing with Venetian blinds

Set of towels (2)

Shower compartment with lacquered laminate walls and stainless steel and glass door

Wooden bulkheads and cabinets with matt varnish

Wooden unit under washbasin

VIP CABIN (Standard Equipment)

Bed frame upholstered in sole leather

Carpeted floor with padding underneath

Cushions 40 x 40cm (2)

Double bed with mattress, pillows, bedspread and pillow covers

Drawer under the bed

Electric outlets

Fire extinguisher

Glossy lacquered ceiling and fabric panels

Headboard upholstered in sole leather with integrated mirror

Lighting

Mini Hi-Fi

Mirror

Porthole housing with decorative curtains

Reading lights (2)

Set of sheets and pillow cases

Sole leather nightstands (2)

Wardrobes (2) with courtesy lights (2)

Wooden matt finished bulkheads and furniture

VIP BATHROOM (Standard Equipment)

Bathroom accessories (towel rail, soap holder, (2) bathrobe hangers, toilet paper holder, toilet brush holder and glass for toothbrushes)

Black water tank level indicator integrated in the toilet control panel

Cabinets

Corian® floor

Corian® washbasin top

Corian® washbasin with mixer tap

Electric ceramic toilet and bidet

Electric extractor

Electric outlets

Glossy lacquered ceiling

LED lighting

Mirror

Porthole housing with Venetian blinds

Set of towels (2)

Shower compartment with lacquered laminate walls and stainless-steel and glass door

Wooden unit under washbasin

PORT GUEST CABIN (Standard Equipment)

Bed frame upholstered in sole leather

Carpeted floor with padding underneath

Cushions 40 x 40cm (2)

Double bed with mattress, pillows, bedspread and pillow covers

Drawer under the beds

Electric outlets

Fire extinguisher
Full height mirror in the walk-in wardrobe
Glossy lacquered ceiling and fabric panels
Headboard upholstered in sole leather with integrated mirror
LED lighting
Mini Hi-Fi
Porthole housings with decorative curtains
Set of double sheets and pillow cases
Wardrobe with courtesy lights
Wooden matt finished bulkheads and furniture
Wooden nightstands (2)

PORT GUEST BATHROOM (Standard Equipment)

Bathroom accessories (towel rail, soap holder, (2) bathrobe hangers, toilet paper holder, toilet brush holder and glass for toothbrushes)
Black water tank level indicator integrated in the toilet control panel
Corian® floor
Corian® washbasin top
Corian® washbasin with mixer tap
Electric ceramic toilet
Electric extractor
Electric outlets
Glossy lacquered ceiling
LED lighting
Mirror
Porthole housing with Venetian blinds
Set of towels (2)
Shower compartment with lacquered laminate walls and stainless-steel and glass door
Wooden cabinets
Wooden matt finished bulkheads

STARBOARD GUEST CABIN (Standard Equipment)

Bed frame upholstered in sole leather
Carpeted floor with padding underneath
Cushions 40 x 40cm (2)
Drawer under the bed
Electric outlets
Fire extinguisher
Glossy lacquered ceiling and fabric panels
Headboard upholstered in sole leather with integrated mirror
LED lighting
Mini Hi-Fi
Porthole housing with decorative curtains
Set of sheets and pillow cases (2)
Single beds with mattresses, pillows, bedspreads and pillow covers (2)
Sole leather nightstand
Wardrobe with courtesy lights
Wooden matt finished bulkheads and furniture

STARBOARD GUEST BATHROOM / DAY HEAD (Standard Equipment)

Additional access from lower deck lobby
Bathroom accessories (towel rail, soap holder, (2) bathrobe hangers, toilet paper holder, toilet brush holder and glass for toothbrushes)
Black water tank level indicator integrated in the toilet control panel
Corian® floor
Corian® washbasin top
Corian® washbasin with mixer tap
Electric ceramic toilet
Electric extractor
Electric outlets
Glossy lacquered ceiling
LED lighting
Mirror
Porthole housing with Venetian blinds

Set of towels (2)

Shower compartment with lacquered laminate walls and stainless-steel and glass door

Wooden cabinets and shelves

Wooden matt finished bulkheads

Wooden unit under washbasin

MIDSHIP CREW CABIN (Standard Equipment)

Bunk beds with mattresses, pillows and bedspreads

Carpeted floor with padding underneath

Electric outlet

Fabric ceiling

Fire extinguisher

LED lighting

Mini Hi-Fi

Reading lights (2)

Set of sheets and pillow cases (2)

Wardrobe

Wooden matt finished bulkheads and furniture

HULL SIDE CREW CABIN (Standard Equipment)

Bunk beds with mattresses, pillows and bedspreads

Carpeted floor with padding underneath

Electric outlet

Fabric ceiling

Fire extinguisher

LED lighting

Mini Hi-Fi

Porthole housing with fabric curtain

Reading lights (2)

Set of sheets and pillow cases (2)

Wardrobe

Wooden matt finished bulkheads and furniture

2 x CREW AREA BATHROOMS (Standard Equipment)

Black water tank level indicator integrated in the toilet control panel

Cabinets and shelves (hull side bathroom)

Corian® flooring

Corian® worktop

Electric ceramic toilet/bidet

Electric extractor

Electric outlets

Glossy lacquered ceiling

Laminated and wooden bulkheads and furniture (hull side bathroom)

Laminated bulkheads

LED lighting

Mirror

Set of towels (4)

Shower and waterproof curtain

Stainless-steel washbasin with mixer tap

CREW LOBBY (Standard Equipment)

Carpeted floor with padding underneath

Electric outlets

Folding table

LED lighting

Upholstered ceiling

Washer and dryer machines

Wooden bulkheads

ENGINE ROOM (Standard Equipment)

Acoustic and thermal insulation

Air inlets (2)

CCTV infrared colour cameras (2)

Engine cooling water filters (2)

Engine gas outlets with mufflers and silencers

Floor in anti-slip light alloy

Fuel-water separator filters with alarms

Lighting

Stainless-steel ladder for access to engine room

Structural GRP 8,000 l fuel tank with mechanical level indicator

Watertight bulkheads at bow

Watertight door

SYSTEMS (Standard Equipment)

Air conditioning and heating system (bathrooms included)

Automatic/manual FM200 fire extinguishing system (engine room, systems area) with automatic shutdown of engines and safety over-ride

Bilge discharge system with (5) immersed electric pumps with automatic controls

Black water discharge system with centralized holding tank, electric pump for direct outboard discharge, direct discharge by shore suction and multi-function emergency pump

Black water tank 330 l with deck connection for tank pumping out

Centralized bilge discharge system connected to the electric multifunction pump with deviator for each area

Device for remote closure of the engine fuel supply valves and generator controlled by the firefighting system

Electro-hydraulic servo-assisted steering system

Emergency bilge discharge system using main engines suction system (2)

Engine room air extraction system

Freshwater tank 1,200 l

Grey water discharge system with automatic electric pump (interchangeable with blackwater pump)

Grey water tank 330 l

Hot water system with two 80 l boilers

Independent sea water intake for air conditioning with filter

Pressurized water system with two 24/230V autoclaves

Seawater pump and hose inlet on deck for chains washing/firefighting

Smoke detector system

Toilet system with freshwater flush

Trim stabilizing system (interceptors)

Valve 3 way in galley

ELECTRICAL SYSTEM (Standard Equipment)

220V double outlets in various areas

Generator 27 kW 240V 50Hz with silencer box

Auxiliary generator 27 kW 240V 50Hz with silencer box

Battery charger for engines

Battery charger for services

Battery group for engines, low water loss

Battery parallel facility for engine start-up

Battery switches

Bonding system with porous copper plate

Breaker box

Cathodic corrosion protection with anodes

Class D VHF radio telephones with DSC with independent antenna (2)

Generators battery group (2), low water loss

Ground connection for sea water intake and railings

Ground fault interrupters 120V - 6mA

Hatch control sensor

Integrated navigation and monitoring system (radar, plotter, GPS, echo-sounder, monitoring) with 16" touch screen displays (3) in helm station

Inverter for refrigerators power supply 2.5 kW 50Hz/220V

Inverter for services 3 kW 50Hz/220V

Isolation transformers 25 kVA (2)

Lighting 24V

Manual battery switches for generators (2)

Preparation for decoder installation with cable 220V + F connector + TV antenna cables

Preparation for TV system with cable 220V + F connector + TV antenna cables CARLING switch 100A for 240V

Shore power connection 100A 50Hz with cable (2) shore power ground fault interrupter 100A-30mA

Tanks level monitoring

SAFETY EQUIPMENT

All safety gear onboard is up to date for the Maltese Commercial Yacht code
